MOTION TO AMEND CLASSIFICATION OF GOODS

Applicant, MATTHEW DALLMAN ("Applicant") by and through his undersigned attorneys and pursuant to 37 C.F.R. §2.133 hereby requests that the Board allow Applicant to amend his identification of goods for his i.Ride mark (Serial No. 77719912) from:

"Stickers, bumper stickers, appliques in the form of decals, decals" in International Class 016; and

"Clothing geared towards extreme sports enthusiasts, namely, shirts, pants, jackets, footwear, hats and caps, bathing suits for men and women, bathing trunks, beachwear, belts, bicycle gloves, board shorts, ski boots, snowboarding boots, boxer shorts, visors, cargo pants, coats, heavy coats, winter coats, ski jackets, snowboarding jackets, fleece pullovers, flight suits, gloves, hooded sweatshirts, socks, jerseys, knitted caps, knitted gloves, long underwear, long-sleeved shirts, t-shirts, turtlenecks, motorcycle gloves, motorcycle jackets, motorcyclist boots, mountaineering boots, ski pants, snowboarding

pants, pullovers, shorts, ski and snowboard shoes and parts thereof, ski bibs, ski boot bags, ski gloves, ski masks, ski suits, skiwear, skullies, snowboarding suits, snowboard gloves, surf wear, tank tops, underclothes, wetsuits, wristbands” in International Class 025, to:

“stickers, bumper stickers, appliques in the form of decals and decals geared towards water sports enthusiasts” in International Class 16; and

“clothing, namely, t-shirts, board shorts, bathing suits, hats and caps geared towards water sports enthusiasts” in International Class 025.

Opposer originally consented to this amendment, but only if Applicant signed a settlement agreement and/or consented to a Judgment being entered against Applicant in relation to the deleted goods. Applicant would not consent to the signing of a settlement agreement and/or the entering of Judgment and based on the foregoing, Opposer is not consenting to the filing of this Motion.

Opposer believes that by amending its Application as described above this alleviates any potential for confusion among consumers and therefore requires dismissal of the instant Opposition Proceeding. Opposer will be filing a more detailed Motion to Dismiss on these grounds on or before his deadline to respond to Opposer’s Notice of Opposition, but in the meantime requests that Applicant’s goods be amended as described above.

Dated this 15th day of April, 2010.

MATTHEW DALLMAN
